

I would like to thank you again for the scholarship. I will put it to good use. I have started doing clinicals and have experienced a lot already. I start doing ambulance runs next week with Cloquet Fire, and with Gold Cross in a few weeks so I will be busy with that all summer. Hopefully I don't see any of you on my calls! I would like to wish you all a great summer and I will hopefully see you at the picnic this summer.
